

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

ELIZABETH HANSEN, Individually, and
ELIZABETH HANSEN, Personal
Representative of the Estate of Michael Hansen,
deceased,

Plaintiffs,

vs.

THE UNITED STATES OF AMERICA,

Defendant.

8:21CV371

**AMENDED
MEMORANDUM AND ORDER ON
PLAINTIFFS' MOTIONS IN LIMINE
REGARDING DEPOSITION
DESIGNATIONS**

Before the Court is Plaintiffs' Motions in Limine Regarding Deposition Designations. [Filing 195](#). The Court rules on these Motions as set out in the table titled "Hansen v. USA – Deposition Objections Log" below.

The Court notes that where there was no objection to additional noted deposition excerpts being read, the Court will consider the additional excerpts.

Although the Court believes it ruled upon all objections made, if there are any objections that were not ruled upon, the Court requests that the parties bring this to the Court's attention.

IT IS ORDERED that Plaintiffs' Motions in Limine Regarding Deposition Designations, [Filing 195](#), are granted in part and denied in part as outlined in the below chart.

Dated this 11th day of December, 2023.

73:25-74:19	R, 403		Relates to foundation for the witness's testimony. The witness was not provided a complete copy of the NCCN Guidelines, just the pages Plaintiff's counsel wanted to highlight.		X
218:4-220:11		H	The text messages are not being offered for the truth of the matter asserted, so it's not hearsay. They relate to the time period that Michael ceased treatment for lung cancer and the emotional impact that decision had on him. The witness's testimony regarding the options that were given to Michael for future treatment are not hearsay.		×
231:21-235:16		Foundation	<p>The speculation objection is waived because it is a "form" objection not made during the deposition.</p> <p>The witness confirms that the radiology scan he is reading from is information that he relies upon in connection with the treatment he gives to patients, so it is appropriate for him to review and rely on the information in forming his opinions. As an oncologist who treated Michael for lung cancer, he has sufficient information and training to interpret the information disclosed and to render an opinion that the lung cancer disease in Michael was worsening in the months leading up to Michael's ultimate death from lung cancer.</p>		×
